

THE PINK RIDE

SADDLE UP FOR A CURE

In 2007 some local area equestrians and friends teamed up to create the Pink Ride, a trail ride to raise research money to find a cure for cancers that affect women. In 2007, over \$8000 was raised to fund research.

In 2008, over \$13,000 was raised and over \$9,000 in 2009.

Our goal this year is \$20,000.

Please sponsor me to help us to reach our goal!

On September 11th, 2010 at 10am, a trail ride through the lands of the Berry College Wildlife Preserve will depart from the Western Saddle Club, Rome, Georgia.

Together we can make a difference for women everywhere, it might even be you, a friend or family member that one day benefits from our efforts.

PLEASE MAKE CHECKS PAYABLE TO THE PINK RIDE

THANK YOU!
