IMPORTANT NOTICE

No significant news was reported at the April meeting. In order to save money, the paper news letter will not be published this month.

With the increase in activities for next month, the newsletter is expected to be published on both paper and electronically. If you have any stories, news, or classified ads, please send these articles to me for the May newsletter.

Meeting Highlights

The next meeting of the WSC will be held on Monday April 6th, at 7:30 PM, at the club house. The March meeting was opened by President Rickey Jones. The Officers' reports were read and accepted by the membership.

The old business addressed at the meeting:

- Donations are needed for the scavenger hunt ride. These may be any item that is related to horses.
- If you are interested in competition trail riding, contact Melinda Gresham 706-291-0995.

The new business addressed at the meeting:

- Berry College has notified the club of problems with the trails. Be sure to read the letter included in this issues of the newsletter.
- A new gate code is in effect. Contact Jody Jones if you need it. 706-252-4169
- Remember you must have your WSC Membership Card and your Berry Permit with

you. If you are on a WSC ride, the club permit covers you as long as you are with the group.

Important Letter From Berry College To All WSC Members

Officers of the Western Saddle Club
 c/o Rickey Jones, President
 P.O. Box 2471
 Rome, GA 30164

Dear Friends:

Berry College is grateful for the leadership you have shown this year as we established recreational trails for horseback riders, runners and bikers. We appreciate the notifications you have sent to Billy Yeomans when there are problems with the trails, and we know that you have taken the lead in alerting your members and other riders to Berry's regulations for recreational use of our property.

As you know, Berry is committed to welcoming our friends and neighbors to the property, while ensuring that the recreational needs of our students, faculty and staff are a priority. We have noted that the newly created trailheads are being widely used and that riders continue to enter the property through both of them.

Unfortunately, we are continuing to encounter compliance issues with some riders. All of the signs that were placed around the reservoir, cautioning that horses cannot be watered, have been torn down. In addition, riders are still frequently encountered on trails that are not designated for horses. While we do not believe there is widespread disregard for our policies, we are once again attempting to let riders and clubs know that continued problems could force us to close the

property to non-Berry riders. We do not know, nor do we assume, that any of these problems are from your members.

However, we hope that you will once again advise your members of this concern, and we will send letters to all of our riding permit holders within the next few weeks. The staff at the Gunby Equine Center will ensure that permit holders receive copies of the trail map and the recreational use policies of the college when they complete their permit paperwork. In addition, we are asking employees of the Georgia Department of Natural Resources, who maintain the Wildlife Management Area for Berry, to step up their monitoring, especially near the reservoir. We hope that you and your members will also alert us when you encounter riders who are disregarding the trail designations or who are failing to adhere to our recreational use policies.

Again, we appreciate the spirit of cooperation that you have shown this year! We look forward to resolving these problems and continuing a positive relationship with horseback riders who enjoy riding on the Berry property. If you have any suggestions for us, please let Alan Storey, Billy Yeomans or me know.

Sincerely,

Jeanne Mathews
 Assistant Vice President
