Special Notes

Due to not having much news to report, this newsletter covers an extended period of four months. Also, a hard copy newsletter will not be mailed for this period.

Meeting Highlights

The next meeting of the WSC will be held on Monday Sept. 13th (one week delayed because of the holiday), at 7:30 PM, at the club house. The meetings in May – Aug were opened by President Rickey Jones or Vice President Charles Duvall. The Officers' reports were read and accepted by the membership.

The old business addressed at the meeting:

- Riders are urged to use caution and watch out for hornets, bees, and wasps on the Berry Trails. A hornet's nest has been identified near the Berry trail that looks like part of a tree. Berry will be notified that it needs to be removed as it poses a danger to all trail users.
- Sept 11th is the Pink Ride, and volunteers are needed for cleaning up the WSC property. Also help may be needed for other activities like the kitchen which will be open at 7 PM on Friday Sept. 10th. The Pink Ride is less than 4 weeks away, so please let club officers know if you can help.
- Sept 10th, a Trail Obstacles contest will be held as part of the Pink Ride activities. The cost to enter is \$10 per person. Make your plans to enter in this competition and other fun events on this fund raising weekend for a great cause.
- There was a good turn out for the last running show despite the weather not being ideal. The

Show Committee is hoping to have many more riders for the remaining shows for the year.

The new business addressed at the meeting:

- There will be a work day planned for August 22, at 11 AM for the 28th show.
- Clean up day for the Pink Ride will be announced.
