

The Pink Ride- Trail Ride for a Cure

Team up for Women!

In 2007 some local area equestrians and friends teamed up to create the Pink Ride, a trail ride to raise research money to find a cure for cancers that affect women. In 2007, over \$8000 was raised to fund research. Our goal this year is \$16,000. On September 13th, 2008 at 10am, a trail ride through the lands of the Berry College Wildlife Preserve will depart from the Western Saddle Club, Rome, Georgia.

The public will be invited to participate by coming out to enjoy attractions. Well-known Western entertainers Jim Dunham and Doc Stovall will perform “Bullets and Ballads”, and Coleen Pridemore will perform a “Demonstration of Dressage”. I invite you to bring your family.

Please sponsor me and be a part of my team to make a difference in the lives of women and families everywhere. This year our proceeds will be donated to the Mary Kay Ash Charitable Foundation. The Mary Kay Ash Charitable Foundation supports only two causes, finding a cure for cancers that affect women, and funding programs committed to ending domestic violence. The Pink Ride will earmark our funds chiefly for cancer research. More than 97% of your donation dollar is used to support these causes. Less than 3% goes to administrative expenses. You may visit www.mkacf.org for more info.

You may make your checks out to The Pink Ride, or the Mary Kay Ash Charitable Foundation.

I would love to have the honor of riding for the top fundraising team. Let's work together and see what we can achieve.

Thanks so much for your help.
