Time to Nominate Officers For 2011

It is hard to believe that another year has almost passed, but it is time to select the leadership for our club next year. At the October meeting, nominations for the WSC Officers and some Board positions may be made. The election of the officers will be held during the November meeting. If you are interested in serving, then either show up at the October meeting to be nominated from the floor or let one of the current officers or board members know of your interest. You will be added to the list of the nominees.

There is one requirement for serving as an officer or a board member: You must be a member of WSC for at least two years before you are eligible to serve as an officer or board member.

A secret ballot of the membership at the November meeting will be held. The results of the election will be announced that night at the meeting.

The new officers and board members will begin serving at the first meeting in January 2011.
